

SOULSTREAM — UPGRADED PROMPT BIBLE (PRO SECRETS INTEGRATED)

9 Characters × 8 Prompts = 72 Total Prompts

Photorealistic Editorial (MJ V7) + Anime Game-Style (Niji 7)

⚡ PRO SECRETS EDITION — Brighter, Sharper, More Visible

Ivery Towers LLC — Soulstream: Magick Dice | Generated: March 5, 2026 (CORRECTED EDITION v3 — Comma Format)

🔧 UPGRADE CHANGELOG

Secret Applied	What It Does
Filename Hack (IMG_XXXX.CR2)	Forces MJ into "real photo" mode — instant realism boost
--exp 10	New V7 experimental aesthetics — richer textures and detail
Prompt Weighting (:)	Key features weighted higher (eyes::2, powers::1.5, outfit::1.2)
Imperfection Injection	Flyaway hairs, skin pores, lens artifacts — kills the "AI look"
Anti-Darkness Negatives (--no)	Blocks muddy shadows, underexposure, pure black backgrounds
Brighter Lighting	Replaced chiaroscuro with balanced 3-point setups + fill light
Camera Upgrade	Mixed in Cooke lenses (warmth), Hasselblad (detail), Panavision (cinematic)
--q 2 on hero shots	Higher render quality for final-grade editorial images
Higher --s on Niji 7	--s 400 for splash art = richer anime rendering
AGE CORRECTION	All character ages updated to canon values
COMMA FORMAT	All periods replaced with commas inside prompts for V7/Niji 7 single-prompt compatibility

HOW TO USE

PHOTOREALISTIC: Copy prompt → Midjourney Discord or web UI. V7 default. **ANIME:** Copy prompt → Niji 7 mode. **CONSISTENCY:** After your hero shot, add (--oref [hero_image_url] --ow 150) to all subsequent prompts. **STYLE LOCK:** Use your best image as (--sref [url] --sw 100) on ALL characters for unified show look.

CANON AGE REFERENCE

Character	Canon Age	Notes

Kimmy	~10	—
Surge-Overload (Cindy)	17	—
Mr. Violet	N/A	Ancient creature
Guardian	Late 20s	—
Yanoro	29	Character details TBD from Geo

CHARACTER 1: BLUE

FACTION	MANCERS (Gods)
ACTOR	Timothée Chalamet × Tom Holland
INSPIRATION	
AGE	19
COLOR PALETTE	Deep ocean blue #003366 , electric blue #0047AB , ice white #F0F8FF , storm grey #4A4A4A , silver lightning #C0C0C0

BRIEF: 19-year-old heartthrob Mancer with storm/lightning powers. Olive skin, tousled dark hair, piercing bright blue eyes, high cheekbones, sharp jawline, clean-shaven youthful face. Bad attitude, effortless cool. Leather jacket, no shirt, blue jeans, motorcycle boots, fingerless leather gloves.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_4927,CR2, realistic, detailed, natural skin texture with visible pores and micro-imperfections,

lifelike materials, cinematic portrait in the visual style of Marvel Eternals, editorial_stills_archive, shot on ARRI Alexa 65 with Cooke S7/i 85mm T2.0 lens for warm skin rendering, 8K RAW, ACEScg color, subtle film grain ISO 400, cinematic prestige-drama tonality, photorealistic, hyper-detailed, naïve innocent three-quarter portrait of Blue from Soulstream before he discovers his powers::1.3, a regular 19-year-old boy inspired by Timothée Chalamet and Tom Holland, olive skin with natural warmth and a youthful glow, tousled dark hair falling messily across his forehead with flyaway strands catching the sunlight, piercing bright blue eyes with oceanic depth looking directly into camera with wide-eyed curiosity and quiet confidence::2, high cheekbones, sharp jawline, smooth clean-shaven youthful face, gentle half-smile with a hint of mischief, wearing a simple worn T-shirt under an open casual denim jacket::1.2, silver chain necklace, his hands relaxed at his sides — no gloves no weapons just a normal teenager, balanced three-point lighting with warm golden key light at 45 degrees from the left illuminating his full face, soft natural fill light from the right, gentle overhead hair light creating a luminous edge, golden hour sunlight with warm volumetric haze, bright urban San Francisco street background with warm amber sky visible between colorful buildings, sunlit pavement reflecting golden light, he looks like any other teenager you might pass on the street — handsome but unaware of his destiny, Eternals-style cinematic warmth and naturalism, well-lit with visible detail in all areas, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 250 --exp 10 --q 2 --no underexposed, pure black background, muddy shadows, cartoon, illustration, beard, stubble, facial hair

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_5183,CR2, realistic, detailed, natural skin texture, lifelike materials, cinematic production still, shot on RED V-Raptor 8K with Angénieux Optimo 35mm lens, 8K RAW, dramatic overcast daylight mixed with supernatural storm light creating a bright overall exposure, photorealistic, hyper-detailed, full-body portrait of Blue from Soulstream::1.3, 19-year-old man inspired by Timothée Chalamet, standing in a wide power stance on a rain-soaked San Francisco rooftop, his entire body crackling with branching white-blue lightning arcs::1.5, his bright blue eyes glowing with raw electrical energy::2, wearing a reinforced black leather motorcycle jacket over bare chest, blue jeans dark with rain, heavy leather motorcycle boots planted firmly, fingerless leather gloves with knuckles sparking, storm clouds swirling above him in a vortex formation with bright silver-white light breaking through the cloud gaps, rain suspended mid-air around his body as if gravity has paused catching the light like diamonds, the Golden Gate Bridge visible through moody twilight haze in the far background, dramatic low-angle shot with bright sky above providing natural exposure, lightning illuminating him brilliantly from all directions, volumetric god rays cutting through storm clouds creating bright shafts of light, electric blue energy tendrils snaking along his arms, epic superhero key art composition, well-balanced exposure showing full detail, no text, no logos --ar 2:3 --v 7 --style raw --s 300 --exp 10 --q 2 --no underexposed, pitch black, muddy, cartoon

P3 — Action / Combat

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_5491,CR2, realistic, detailed, lifelike materials, Hollywood cinematic fantasy blockbuster in the visual style of Marvel Eternals, shot on ARRI Alexa 65 with 24mm wide lens f/2.8, 8K, high-speed shutter freeze-frame, ACEScg color, photorealistic, hyper-detailed, dynamic action shot of Blue from Soulstream::1.3, 19-year-old man inspired by Timothée Chalamet, mid-strike throwing a devastating lightning bolt forward with his right hand extended::1.5, his left hand pulled back channeling crackling electrical energy, his leather jacket billowing behind him from the force of the discharge, his expression is

fierce and determined, piercing blue eyes blazing with white-hot intensity::2, dark tousled hair blown back with individual strands catching the electric light, veins on his forearms glowing faint blue under his olive skin, the lightning bolt tears through the air leaving branching fractal patterns of brilliant blue-white energy that illuminate the entire scene, the ground beneath him cracked and scorched with glowing orange fissures, sparks and debris flying outward from the point of impact catching the light, urban battlefield environment at blue hour twilight with visible sky above, shattered concrete and twisted metal reflecting the bright lightning, rain falling sideways in the shockwave with each droplet illuminated, the lightning provides powerful fill light across the whole composition, high-octane cinematic action still, bright combat editorial -
--ar 2:3 --v 7 --style raw --s 250 --exp 10 --no underexposed, pitch black, muddy shadows

P4 — Moody Cinematic Close-Up

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_5672, CR2, realistic, detailed, natural skin texture with every pore visible, flyaway hairs catching backlight, subtle asymmetry in features, Hollywood cinematic fantasy blockbuster in the visual style of Marvel Eternals, shot on Panavision Millennium DXL2 with Cooke S7/i 100mm T2.0, extremely shallow depth of field, 8K RAW, subtle film grain ISO 600, photorealistic, hyper-detailed, extreme close-up of Blue from Soulstream::1.3, cropped from brow to chin, inspired by Timothée Chalamet, olive skin glistening with rain droplets that catch warm light, piercing bright blue eyes reflecting a distant lightning storm locked directly into camera::2, dark tousled hair wet and pressed against his forehead, sharp jawline with smooth youthful skin catching golden light, his expression is haunted yet resolute — a young man carrying the weight of storms within him, faint electrical sparks dancing along his lower lashes like tiny stars, balanced Rembrandt lighting with warm amber key from the right filling his face with visible warm light, cool electric blue fill from the left creating a dramatic but readable split-tone across his face, both sides of his face clearly visible, bright bokeh of city lights and distant lightning flashes in the background creating a luminous frame, intimate character study, Hollywood cinematic photography, raw emotional depth --ar 2:3 --v 7 --style raw --s 200 --exp 10 --q 2 --no underexposed, pure black, lost detail in shadows

ANIME GAME-STYLE (Niji 7)

A1 — Character Splash Art

Anime key visual of Blue from Soulstream::1.5, 19-year-old heartthrob with tousled dark hair and piercing electric blue eyes::2, sharp jawline, cocky smirk, wearing an open black leather motorcycle jacket over bare muscular chest, blue jeans and heavy boots, fingerless leather gloves, standing in a dramatic hero pose with lightning crackling around both fists::1.5, electric arcs branching across his body and into the storm clouds above, his hair and jacket whipping in supernatural wind, dynamic composition with energy lines radiating outward, rain frozen mid-drop around him catching prismatic light, vivid electric blue highlights and white lightning accents against a deep twilight sky with visible cloud detail, detailed anime art style inspired by Ufotable and Studio MAPPA, clean linework, cinematic lighting with bright highlights, glowing effects, character splash screen quality, mobile game promotional key art --ar 2:3 --niji 7 --s 400 --no muddy colors, dark unreadable areas

A2 — Combat / Action Pose

Anime action illustration of Blue from Soulstream::1.3, 19-year-old with dark tousled hair and glowing blue eyes::2, throwing a massive lightning bolt forward with his right hand, his entire arm engulfed in branching white-blue electricity::1.5, left hand crackling with charged energy pulled back, black leather

jacket billowing dramatically behind him, bare chest visible, blue jeans and motorcycle boots planted in a wide aggressive stance, rain and debris suspended in the air around him illuminated by electric light, speed lines and impact effects radiating from the lightning strike, dramatic storm sky background with silver light breaking through clouds, electric blue and white energy dominating the composition, high-energy shonen battle scene, dynamic foreshortening, detailed anime art with cel-shading, MAPPA-quality action animation keyframe, game combat idle art --ar 2:3 --niji 7 --s 400

A3 — Menu / Idle Screen

Anime character portrait of Blue from Soulstream for mobile game character select screen, 19-year-old with tousled dark hair swept across forehead, piercing blue eyes with a confident gaze::2, subtle smirk, olive skin, wearing open black leather motorcycle jacket over bare chest showing athletic build, silver chain necklace, fingerless leather gloves, blue jeans, three-quarter view pose with arms crossed, small arcs of electricity sparking between his fingers casually, faint blue aura surrounding him, clean gradient background transitioning from deep navy to storm grey with subtle lightning particles and distant electric sparks, character info card composition, polished anime art style with soft cel-shading and detailed linework, game UI character portrait, high-resolution, sharp details, no text --ar 2:3 --niji 7 --s 250

A4 — Expression / Emote Sheet

Anime character expression sheet of Blue from Soulstream, 19-year-old with dark tousled hair and blue eyes, four expressions on a clean dark gradient background: top-left cocky confident smirk with one eyebrow raised and a tiny lightning spark on his fingertip with bright expression, top-right fierce battle rage with glowing blue eyes and electrical energy crackling around his head illuminated by his own power, bottom-left rare genuine smile showing warmth and vulnerability with soft warm lighting, bottom-right brooding contemplation looking down with dramatic lighting across his face and rain drops on his skin catching light, consistent character design across all four, black leather jacket and silver chain visible in each, detailed anime style with clean linework, game asset quality --ar 1:1 --niji 7 --s 250

CHARACTER 2: KAERY

FACTION	MANCERS (Gods) / WITCHBREED
ACTOR	Devon Aoki × Gemma Chan
INSPIRATION	
AGE	20
COLOR PALETTE	Soft purple (#9B59B6), royal gold (#FFD700), warm amber (#C97B2E), ethereal lavender (#B39DDB), starlight white (#F5F5F5)

BRIEF: 20-year-old golden-eyed all-American girl with oracular powers and Magick immunity. Brown hair with purple bangs, golden eyes. Low cut halter top, low rise jeans, tennis shoes, bracelets. Hooded scarf that

fades between solid and ethereal — when it fades, her eyes glow brighter. Purple nails, runes of Magick shining on the scarf like star charts.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_6104,CR2, realistic, detailed, natural skin texture with visible pores, lifelike materials, Hollywood cinematic fantasy blockbuster in the visual style of Marvel Eternals, editorial_stills_archive, shot on Hasselblad H6D-400c with HC 100mm f/2.2 for medium-format fashion detail, 8K RAW, ACEScsc color, subtle film grain, photorealistic, hyper-detailed, naïve innocent three-quarter editorial portrait of Kaery from Soulstream before she fully understands her oracular gift::1.3, a regular 20-year-old girl-next-door inspired by Devon Aoki and Gemma Chan, high cheekbones, sun-kissed light skin with natural warmth, straight brown hair falling casually past her shoulders with vibrant purple-dyed bangs she clearly did herself at home, stunningly golden irises that catch the sunlight in a way that's almost unsettling — a hint of something otherworldly she doesn't fully understand yet::2, wearing a simple fitted tank top in muted plum, low-rise jeans, worn white sneakers, a few layered friendship bracelets on her wrists in gold and purple thread, purple-painted nails slightly chipped, her hooded scarf is just draped casually around her neck like a normal fashion accessory — the runic patterns barely visible and dormant::1.5, generous golden hour natural sunlight washing over her face from the right with warm radiance, soft natural fill light from the left keeping shadow areas readable, she's standing outside on a sunny university campus with warm brick buildings and green trees in soft-focus background, visible blue sky with golden afternoon clouds, nothing supernatural happening — just a beautiful normal girl with a quiet mystery behind her eyes, Eternals-style cinematic warmth and naturalism, well-balanced luminous exposure, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 250 --exp 10 --q 2 --no underexposed, pitch black, muddy, cartoon

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_6237,CR2, realistic, detailed, lifelike materials, cinematic production still, shot on Sony Venice 2 with Zeiss Supreme Prime 35mm f/2.0, 8K RAW, photorealistic, hyper-detailed, full-body portrait of Kaery from Soulstream::1.3, 20-year-old woman inspired by Devon Aoki, standing in a serene yet commanding pose with her right hand slightly raised palm-up, golden runic sigils floating and rotating above her open palm like a celestial map radiating warm golden light::1.5, her amazingly golden eyes blazing with oracular vision::2, brown hair with purple bangs flowing in a gentle supernatural breeze, the ethereal hooded scarf fully manifested — a cascade of semi-transparent lavender fabric covered in glowing gold rune patterns resembling star constellations, the scarf pulses with light as if breathing, low-cut plum halter top, low-rise jeans, white tennis shoes, stacked bracelets of gold and amethyst on her wrists, purple nails glowing faintly, standing in a field of tall golden grass at magic hour twilight with warm sunlight behind her creating a radiant backlight silhouette glow, purple and gold light radiating outward from her body, fireflies and magical particles drifting upward around her catching the warm light, visible horizon with purple-amber sunset sky, full-body visible head to toe, cinematic fantasy editorial, luminous and ethereal, no text --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, muddy, pitch black background

P3 — Action / Combat

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_6389,CR2, realistic, detailed, lifelike materials, high-speed cinematic action still, shot on ARRI Alexa 65 with 24mm wide lens f/2.8, 8K, photorealistic, hyper-detailed, dynamic action shot of Kaery from Soulstream::1.3, 20-year-old woman inspired by Gemma Chan, in a defensive power stance with both arms extended outward, a massive dome of brilliant golden light expanding from her body creating a Magick-immune barrier that illuminates the entire scene::1.5, runic star charts projected across the shield surface like a radiant planetarium, her golden eyes fully illuminated white-gold with oracular power::2, her brown hair with purple bangs whipping upward from the force, the ethereal scarf has fully materialized into a hooded cloak of shimmering purple and gold energy wrapping protectively around her, enemy spell attacks shattering against her bright barrier like glass creating showers of colorful sparks, fragments of purple and red magick dissolving into harmless sparks on contact, the golden barrier provides powerful illumination across the entire composition, battlefield environment visible in the warm golden light with swirling smoke and magical debris, epic defensive power moment, bright fantasy action editorial --ar 2:3 --v 7 --style raw --s 250 --exp 10 --no underexposed, pure black, lost detail

P4 — Moody Cinematic Close-Up

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_6501,CR2, realistic, detailed, lifelike materials, intimate close-up production still, shot on ARRI Alexa 65 with Cooke S7/i 100mm T2.0, extremely shallow depth of field, 8K RAW, photorealistic, hyper-detailed, extreme close-up of Kaery from Soulstream::1.3, cropped from forehead to chin, inspired by Devon Aoki, high cheekbones catching warm golden light, sun-kissed skin with ultra-detailed texture and natural micro-imperfections, her stunning golden irises filling with swirling patterns like liquid gold galaxies as she receives an oracular vision::2, purple bangs falling delicately across her brow, the rest of her brown hair out of focus behind her, her purple-painted lips slightly parted in awe at what she is seeing, tiny golden runic symbols reflecting in her eyes like star charts, the ethereal scarf hood is partially up its fabric phasing between visible and invisible creating a glowing halo effect around her head, golden light emanating warmly from beneath the translucent material, balanced split lighting — warm amber from the right filling the face with golden radiance, soft lavender-purple from the left adding mystical tone while keeping full facial detail visible, bright golden bokeh of magic particles floating in the background, intimate oracular moment, Hollywood cinematic close-up, raw emotional depth --ar 2:3 --v 7 --style raw --s 200 --exp 10 --q 2 --no underexposed, pitch black, lost shadow detail

ANIME GAME-STYLE (Niji 7)

A1 — Character Splash Art

Anime key visual of Kaery from Soulstream::1.5, 20-year-old woman with straight brown hair and vibrant purple bangs, stunningly golden eyes glowing with oracular light::2, high cheekbones, serene confident expression, wearing a fitted plum halter top, low-rise jeans, white sneakers, layered gold bracelets, an ethereal hooded scarf that phases between solid lavender and transparent starlight with glowing gold runic star-chart patterns::1.5, standing in a regal pose with one hand raised, golden sigils and constellation patterns orbiting around her like a celestial orrery, the scarf billowing behind her as it shifts between dimensions, warm purple and gold color palette with luminous highlights, ancient temple ruins with brilliant golden sunlight streaming through in the background, magical particles floating upward catching warm light, detailed anime art style inspired by Ufotable, clean linework, luminous glow effects on eyes and runes, character splash screen quality --ar 2:3 --niji 7 --s 400 --no muddy, dark unreadable

A2 — Combat / Action Pose

Anime action illustration of Kaery from Soulstream::1.3, 20-year-old woman with brown hair and purple bangs flowing upward, golden eyes blazing with white-gold power::2, arms extended creating a massive golden runic barrier dome that radiates bright warm light across the scene::1.5, the ethereal scarf fully manifested as a hooded cloak of shimmering purple energy covered in rotating star-chart runes, enemy magical attacks shattering on contact with her bright shield creating colorful sparks, dynamic defensive pose, golden energy radiating outward in concentric rings, purple and gold particle effects filling the scene with luminosity, dramatic sky background with the golden barrier as the brightest focal point, cel-shaded anime art with detailed magical effects, high-energy action keyframe --ar 2:3 --niji 7 --s 400

A3 — Menu / Idle Screen

Anime character portrait of Kaery from Soulstream for mobile game character select screen, 20-year-old with brown hair and purple bangs, golden eyes with a warm knowing gaze::2, gentle confident smile, wearing plum halter top, gold bracelets visible, ethereal scarf draped across her shoulders with faintly glowing star-chart runes, a small golden sigil hovering near her fingertip emitting soft light, three-quarter view, serene pose, clean gradient background from deep purple to midnight blue with floating golden constellation particles and warm ambient glow, polished anime art style with soft warm lighting, game UI character portrait, high-resolution, sharp details --ar 2:3 --niji 7 --s 250

A4 — Expression / Emote Sheet

Anime character expression sheet of Kaery from Soulstream, 20-year-old with brown hair and purple bangs and golden eyes, four expressions on clean gradient background: top-left warm genuine smile with golden eyes twinkling brightly the girl-next-door charm with soft warm lighting, top-right oracular trance with eyes fully white-gold and runic patterns swirling in her irises with golden light radiating from her and mouth slightly open, bottom-left determined battle-ready expression with ethereal scarf hood up and eyes glowing bright gold, bottom-right playful teasing smirk with one eyebrow raised and purple bangs falling across one eye, consistent design across all four, detailed anime style, game asset quality --ar 1:1 --niji 7 --s 250

CHARACTER 3: CHANEL

FACTION	DARK SUPERNATURAL
ACTOR	Original Design (tall, striking Black woman)
INSPIRATION	
AGE	27
COLOR PALETTE	Blood crimson #8B0000 , nightmare black #0A0A0A , blonde gold #DAA520 , dark scarlet #4A0000 , pale bone white #FFF8DC

BRIEF: 27-year-old tall, beautiful Black woman with long legs, small waist, blonde hair. Powers: Darkness with red highlights — nightmares and blood. Sexy succubus-style clothing. Base skin: dark seductive supernatural energy. Blood red darkness as her power signature.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_7201,CR2, realistic, detailed, natural skin texture with visible pores, lifelike materials, cinematic portrait in the visual style of Marvel Eternals, editorial_stills_archive, shot on ARRI Alexa 65 with Cooke S7/i 85mm T2.0, 8K RAW, ACEScsg color, subtle film grain, photorealistic, hyper-detailed, naïve innocent three-quarter editorial portrait of Chanel from Soulstream before her dark powers have fully awakened::1.3, 27-year-old tall striking Black woman with luminous dark skin that catches light beautifully, high cheekbones, full lips with a natural lip gloss, long platinum blonde hair cascading over one shoulder in loose effortless waves, her eyes are warm amber-brown — no trace of red yet — with a magnetic gaze that draws you in::2, wearing a stylish but normal outfit — a fitted black turtleneck sweater, high-waisted dark jeans, simple gold hoop earrings, a thin gold chain at her throat where a crimson gemstone pendant rests as a simple piece of jewelry, she stands with natural effortless elegance — tall and poised but relaxed, no darkness tendrils, no supernatural energy, just a stunningly beautiful woman radiating quiet confidence::1.5, generous beauty lighting — bright key light from above and slightly left making her dark skin radiant and luminous, soft warm fill light ensuring full facial detail is visible, she's in a bright modern café or gallery space with large windows letting warm natural sunlight stream in and illuminate her, warm interior tones, espresso cup in one hand, she looks like a fashion model on her day off — gorgeous but approachable, Eternals-style cinematic warmth and naturalism, well-balanced luminous exposure, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 300 --exp 10 --q 2 --no underexposed, lost skin detail, muddy shadows, cartoon

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_7344,CR2, realistic, detailed, lifelike materials, cinematic production still, shot on Sony Venice 2 with 35mm lens f/2.0, 8K RAW, photorealistic, hyper-detailed, full-body portrait of Chanel from Soulstream::1.3, 27-year-old tall Black woman with long legs and small waist, standing in a commanding pose with one hip cocked and her head tilted slightly exuding dangerous allure, platinum blonde hair flowing down her back catching warm light, wearing her base skin outfit — a sleek black bodysuit with architectural cutouts, matte leather corset with crimson embroidery of thorned vines, thigh-high black stiletto boots with blood-red soles, dark sheer opera gloves, a massive wave of living darkness erupts behind her like nightmare wings the shadows textured like liquid oil shot through with brilliant veins of glowing blood red creating dramatic illumination::1.5, her eyes glowing crimson as she channels her power::2, full-body visible from head to toe, standing on cracked obsidian floor with vivid blood-red light bleeding upward through the fissures providing strong visible fill light from below, crimson mist rolling at ground level catching the red glow, the red light from her powers and the floor cracks provides enough illumination to see every detail clearly, dark fantasy succubus queen key art with rich visible detail, cinematic editorial, no text --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, lost detail, muddy

P3 — Action / Combat

CHARACTER 4: CRUX (CROOKS)

FACTION	MANCERS (Gods) — Magnemancer / God of Luck
ACTOR	Dylan Minnette × Logan Lerman
INSPIRATION	
AGE	14
COLOR PALETTE	Lucky gold (#FFD700), gypsy bronze (#CD7F32), hazel green (#8E7618), shadow grey (#2F2F2F), probability white (#FFFFFF)

BRIEF: Adorable 14-year-old blonde Gypsy boy with thief/assassin personality. Messy mohawk shaved on sides, hazel eyes, big smile even when fighting. T-shirt, cargo pants with oversized pockets, two daggers in X-

cross harness, forearm guards. God of Luck — changes density/momentum/velocity of thrown objects.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_8012,CR2, realistic, detailed, natural skin texture with visible pores and freckles, lifelike materials, cinematic portrait in the visual style of Marvel Eternals, editorial_stills_archive, shot on ARRI Alexa 65 with Cooke S7/i 85mm T2.0, 8K RAW, ACEScg color, subtle film grain, photorealistic, hyper-detailed, naïve innocent three-quarter portrait of Crux from Soulstream — just a regular kid before the God of Luck powers awakened::1.3, adorable 14-year-old boy inspired by Dylan Minnette and Logan Lerman, pale skin with a few freckles across his nose catching warm light, stylish messy blonde mohawk with the sides shaved clean, bright hazel eyes full of curiosity and youthful energy::2, a wide natural grin — the kind of smile a happy kid gives when he's up to something fun, wearing a worn graphic T-shirt with a skateboarding logo, oversized cargo pants with pockets full of random kid stuff — marbles and coins and a slingshot handle poking out, scuffed sneakers, no weapons, no harness, no daggers — just a kid being a kid::1.2, generous warm golden hour sunlight hitting his face from the side creating a bright youthful glow, his hazel eyes catching the amber light like polished gold, bright San Francisco playground or skatepark background with colorful graffiti walls and warm late afternoon golden light, other kids visible in the blurred background, visible sky with warm clouds above, he looks like the most charming troublemaker in any school — you'd never guess he's destined to be a god, Eternals-style cinematic warmth and naturalism, vibrant warm lighting, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 250 --exp 10 --q 2 --no underexposed, muddy shadows, dark background, cartoon

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_8156,CR2, realistic, detailed, lifelike materials, cinematic production still, shot on RED V-Raptor 8K with 35mm lens f/2.0, 8K RAW, photorealistic, hyper-detailed, full-body portrait of Crux from Soulstream::1.3, 14-year-old boy inspired by Dylan Minnette, standing in a crouched assassin stance, both Lucky Daggers drawn from the X-harness and held in reverse grip, his big adorable grin still plastered across his face despite the deadly pose::1.5, blonde messy mohawk catching warm sunlight, hazel eyes bright with excitement::2, worn T-shirt and massive cargo pants with pockets bulging with pebbles and coins, leather forearm guards, heavy combat boots, small objects orbiting him in mid-air — pebbles, coins, bottle caps — each surrounded by a brilliant golden probability aura::1.5 as he manipulates their density, golden light trails connecting him to each floating projectile glowing warmly, full-body visible head to toe in a bright San Francisco alley with warm afternoon sun streaming in from above, golden light filling the scene, crates and debris around him, adorable deadly rogue key art, warm fantasy youth hero editorial, luminous golden atmosphere, no text --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, dark, muddy

P3 — Action / Combat

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_8293,CR2, realistic, detailed, lifelike materials, high-speed action freeze-frame, shot on ARRI Alexa 65 with 24mm wide lens f/2.8, 8K, photorealistic, hyper-detailed, dynamic action shot of Crux from Soulstream::1.3, 14-year-old boy in mid-throw releasing a small pebble that streaks away from his hand

like a golden railgun projectile leaving a bright golden trajectory trail that illuminates the scene::1.5, the pebble distorting the air around it from its impossibly increased mass, his body twisted in a low fighting stance one knee bent, his left hand already reaching into a cargo pocket for the next projectile, his face showing pure joy and concentration with that signature smile::1.5, golden probability energy radiating from his throwing hand in bright wave-like distortions::2, the pebble's impact point in the distance exploding concrete with golden sparks, warm twilight environment with visible amber sky, shipping containers and chain-link fences catching golden light, dramatic bright rim lighting from the sunset behind him, the golden energy from his power illuminating every detail --ar 2:3 --v 7 --style raw --s 250 --exp 10 --no underexposed, pitch black, muddy

P4 — Moody Cinematic Close-Up

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_8417, CR2, realistic, detailed, lifelike materials, intimate portrait, shot on Panavision Millennium DXL2 with Cooke S7/i 100mm T2.0, 8K RAW, photorealistic, hyper-detailed, extreme close-up of Crux from Soulstream::1.3, 14-year-old boy, cropped from hairline to chin, pale freckled skin in ultra-detail with every freckle individually visible, hazel eyes enormous and sparkling with golden light reflecting within them like probability calculations running in real-time::2, his blonde mohawk messy and windswept catching warm backlight, his expression captures the duality of his character — the wide genuine smile of a happy kid combined with the calculating sharpness in his eyes of a trained assassin, a small coin balanced on the tip of his nose catching bright golden light, warm Rembrandt key lighting from the right creating a luminous golden glow across his cheek filling the face with readable warmth, soft cool blue fill on the left keeping shadow areas visible, shallow depth of field with brilliant warm golden bokeh of probability particles behind him, charming and dangerous in equal measure, cinematic blockbuster character study --ar 2:3 --v 7 --style raw --s 200 --exp 10 --q 2 --no underexposed, lost shadow detail

ANIME GAME-STYLE (Niji 7)

A1 — Character Splash Art

Anime key visual of Crux from Soulstream::1.5, adorable 14-year-old blonde boy with messy mohawk shaved on the sides, bright hazel eyes full of mischief::2, wide grin showing confidence and charm, pale skin with freckles, wearing worn T-shirt, oversized cargo pants bulging with pebbles and coins, leather forearm guards, heavy combat boots, two Lucky Daggers in X-cross harness on his back, small objects orbiting him — pebbles, coins, bottle caps — each glowing with golden probability auras::1.5, golden light trails connecting each floating projectile, standing in a crouched rogue stance in a sun-drenched San Francisco alley, warm golden color palette with vivid detail, adorable deadly rogue splash art, detailed anime art style, mobile game promotional key art --ar 2:3 --niji 7 --s 400 --no muddy, dark unreadable

A2 — Combat / Action Pose

Anime action illustration of Crux from Soulstream::1.3, 14-year-old blonde boy with mohawk mid-throw releasing a pebble that streaks like a golden railgun projectile::1.5, golden probability energy radiating from his hand::2, his signature grin showing pure joy in combat, cargo pants, forearm guards, combat boots, golden trajectory trails illuminating the scene, impact explosion of golden sparks in the distance, dynamic speed lines and energy effects, warm twilight environment with vivid amber sky, shipping containers catching golden light, high-energy youth rogue combat scene, cel-shaded anime action keyframe --ar 2:3 --niji 7 --s 400

A3 — Menu / Idle Screen

Anime character portrait of Crux from Soulstream for mobile game character select screen, 14-year-old blonde boy with messy mohawk, bright hazel eyes with a mischievous gleam::2, wide adorable grin, wearing worn T-shirt and cargo pants, one Lucky Dagger visible at his shoulder from the X-harness, a golden coin spinning on his fingertip with golden probability glow, three-quarter view, relaxed rogue pose, clean gradient background from warm gold to shadow grey with floating golden coins and probability particles, polished anime art style, game UI character portrait, high-resolution --ar 2:3 --niji 7 --s 250

A4 — Expression / Emote Sheet

Anime character expression sheet of Crux from Soulstream, 14-year-old blonde boy with mohawk and hazel eyes, four expressions on clean gradient background: top-left wide gleeful grin with a coin spinning above his palm with golden light and pure mischief, top-right focused assassin mode with narrowed hazel eyes and daggers drawn with the smile replaced by calculating intensity, bottom-left genuine laughing fit with eyes squeezed shut and head thrown back with carefree kid energy, bottom-right surprised wide-eyed expression as golden probability energy spirals unexpectedly from both hands, consistent design, detailed anime style, game asset quality --ar 1:1 --niji 7 --s 250

CHARACTER 5: KIMMY

FACTION	SPIRAAR (Shapeshifter/Werewolf) — The Palla / Grove
ACTOR	Original Design (young Asian girl)
INSPIRATION	
AGE	~10
COLOR PALETTE	Bubblegum pink (#FF69B4), hot pink (#FF1493), soft blush (#FFB6C1), midnight black (#0D0D0D), grove green (#228B22)

BRIEF: Baby werewolf Spiraar. Little Asian girl around 10 years old with pink hair, China bangs, pleated skirt school outfit. Parents died protecting the Grove. Birthmark: fur is always abnormal color. Base skin: PINK. Transforms into a big cute pink werewolf like a giant adorable puppy.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_9001.CR2, realistic, detailed, natural skin texture, lifelike materials, cinematic portrait in the visual style of Marvel Eternals, shot on Canon EOS R5 with RF 85mm f/1.2L, 8K RAW, ACEScg color, subtle film grain, photorealistic, hyper-detailed, naïve innocent three-quarter portrait of Kimmy from Soulstream — just a regular schoolgirl before her werewolf nature awakens::1.3, adorable young Asian girl around 10 years old, delicate features with round cheeks, soft brown eyes that are warm and gentle with a

child's natural curiosity::2, bubblegum pink hair with blunt China bangs cut straight across just above her eyes and the rest flowing down her back — it looks like a fun dye job her friends dare her to keep, wearing a crisp navy blue pleated school uniform skirt, white sailor-style school blouse with a pink ribbon tie, knee-high white socks, black Mary Jane shoes, a small silver crescent moon pendant necklace that she fidgets with — a keepsake from her parents, her expression is sweet and a little shy holding a school backpack strap with one hand, no powers visible, no aura, no transformation hints — just a regular little girl heading home from school::1.5, warm generous natural daylight in Golden Gate Park with bright green trees and dappled golden sunlight filtering through leaves creating a cheerful atmosphere, visible blue sky through the canopy, she looks like any other kid at the park — you'd never guess what she becomes, Eternals-style cinematic warmth and naturalism, well-lit fantasy youth portrait, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 250 --exp 10 --q 2 --no underexposed, dark, muddy

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_9148,CR2, realistic, detailed, lifelike materials, VFX-quality transformation sequence still, shot on Sony Venice 2 with 35mm lens f/2.0, 8K RAW, photorealistic, hyper-detailed, full-body split-composition showing Kimmy's werewolf transformation from Soulstream::1.3, the LEFT side shows Kimmy the young Asian girl in her school uniform with pink hair and China bangs, the RIGHT side shows her mid-transformation into her Spiraar form — a large wolf-like creature covered in fluffy bright pink fur that looks impossibly adorable::1.5, the transformation boundary runs diagonally through the center with crackling silver-pink energy at the seam creating bright illumination, her school clothes tearing and dissolving into luminous pink light particles, the pink werewolf form has fluffy mane and a wagging tail, big round glowing green eyes, its pink fur is vibrant and luminous::2, faint silver crescent marking on the chest glowing, bright forest clearing in the Grove at golden hour, warm sunlight and moonlight mixing to create a magical dual-light effect, pink transformation energy brightly illuminating the surroundings with vivid color, adorable monster transformation key art, luminous fantasy, no text --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, pitch black, muddy

P3 — Action / Combat

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_9287,CR2, realistic, detailed, lifelike materials, action still, shot on ARRI Alexa 65 with 24mm wide lens f/2.8, 8K, photorealistic, hyper-detailed, dynamic action shot of Kimmy in full Spiraar werewolf form from Soulstream::1.3, a large bear-sized wolf creature covered entirely in bright bubblegum pink fur::1.5, thick and fluffy like a Samoyed but enormous, big round luminous green eyes that are simultaneously adorable and fierce::2, a silver crescent moon marking glowing brilliantly on her chest, mid-leap lunging with mouth open showing razor-sharp white fangs that contrast with her cute pink appearance, pink fur rippling with the motion catching moonlight with vivid highlights, massive paws with claws extended, the absurd contrast of a terrifyingly powerful werewolf that looks like a giant pink puppy, pink fur catching bright moonlight with an ethereal glow, nighttime forest environment well-lit by a large bright full moon overhead, the pink fur itself seems to generate soft bioluminescent light, silver moonlight and pink bioluminescence creating a bright fantastical illumination across the whole scene, broken trees and scattered leaves visible in the moonlit scene --ar 2:3 --v 7 --style raw --s 250 --exp 10 --no underexposed, lost detail, pitch black

P4 — Moody Cinematic Close-Up

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_9401,CR2, realistic, detailed, lifelike materials, intimate portrait, shot on Canon EOS R5 with RF 100mm f/2.8L Macro, 8K RAW, photorealistic, hyper-detailed, close-up portrait of Kimmy from Soulstream::1.3, young Asian girl around 10 years old, soft round cheeks, pink hair China bangs perfectly straight above her brown eyes which are welling with determined tears catching the warm sunlight::2, her expression is brave but emotional — she is thinking about her parents who died protecting the Grove, the small silver crescent moon pendant catches a bright beam of sunlight at her collar, her pink hair glowing beautifully in the generous afternoon sun filtering through park trees, a single pink petal caught in her hair, warm abundant natural lighting with cheerful dappled shadows from leaves above, generous soft golden fill light creating a gentle luminous portrait mood with every detail of her face clearly visible, extremely shallow depth of field with bright green forest bokeh with sparkles of light, emotional character study, childhood courage --ar 2:3 --v 7 --style raw --s 200 --exp 10 --q 2 --no underexposed, dark, muddy

ANIME GAME-STYLE (Niji 7)

A1 — Character Splash Art

Anime key visual of Kimmy from Soulstream::1.5, adorable young Asian girl around 10 years old with bubblegum pink hair and China bangs, big brown eyes, wearing a navy pleated school skirt and white sailor blouse with pink ribbon, standing beside her massive Spiraar werewolf form — a bear-sized wolf covered in fluffy bright pink fur with big luminous green eyes::2 and a silver crescent moon on its chest, looking like the world's most adorable giant pink puppy, the girl and the wolf connected by swirling pink transformation energy between them, cherry blossom petals floating in the air catching warm light, bright sunlit Grove forest with ancient trees and glowing mushrooms and fireflies and floating cherry blossom petals, warm pink and silver color palette with luminous highlights, adorable monster girl splash art, detailed anime style, magical girl meets werewolf design, mobile game key art --ar 2:3 --niji 7 --s 400 --no muddy, dark unreadable

A2 — Combat / Action Pose

Anime action illustration of Kimmy in full pink Spiraar werewolf form from Soulstream::1.3, massive fluffy pink wolf creature mid-pounce with jaws open and claws extended simultaneously terrifyingly powerful and impossibly cute::1.5, pink fur flowing with the motion glowing with bioluminescent light, big green eyes burning with fury::2, silver crescent glowing brilliantly on chest, facing off against dark purple Vampyl shadows, dynamic action lines and impact effects in vivid pink and silver, forest trees bending from the shockwave, pink energy paw-prints glowing brightly where she steps, the pink werewolf's own glow illuminating the scene, high-energy anime combat scene, cel-shaded art --ar 2:3 --niji 7 --s 400

A3 — Menu / Idle Screen

Anime character portrait of Kimmy from Soulstream for mobile game select screen, young Asian girl around 10 years old with pink hair and China bangs, school uniform, cheerful smile with a hint of ferocity, small pink wolf ears poking through her hair in semi-transformed state, hugging a small pink wolf plushie that mirrors her werewolf form, silver crescent pendant visible catching light, clean gradient background from soft pink to midnight blue with floating cherry blossom petals and soft warm pink glow --ar 2:3 --niji 7 --s 250

A4 — Expression / Emote Sheet

Anime expression sheet of Kimmy from Soulstream, young Asian girl around 10 years old with pink hair and China bangs, four expressions on clean gradient background: top-left bright cheerful smile with pink sparkles and wolf ears popping out excitedly well-lit and vibrant, top-right angry fierce snarl with eyes shifting bright green and fangs showing in partial wolf transformation, bottom-left sad tearful expression clutching her crescent moon pendant with warm soft lighting, bottom-right determined battle face with full pink wolf transformation beginning with visible pink energy, consistent design, game asset quality --ar 1:1 -niji 7 --s 250

CHARACTER 6: SURGE-OVERLOAD (Cindy)

FACTION	OZONE SYNDICATE / MANCERS — Technomancer / Goddess of Technology
ACTOR	Keke Palmer × Kiersey Clemons
INSPIRATION	
AGE	17
COLOR PALETTE	Neon cyan (#00D4FF), electric orange (#FF6600), hot pink (#FF1493), matrix green (#00FF41), void black (#0A0A0A)

BRIEF: 17-year-old cyberpunk goth girl with dramatic makeup. Plaid, leather, straps, LED clothing. World's most powerful hacker, Goddess of Technology. Powers: AI holographic screens floating around her. Sucks on a lollipop. Utterly nonchalant and confident.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_0201,CR2, realistic, detailed, natural skin texture, lifelike materials, cinematic portrait in the visual style of Marvel Eternals, editorial_stills_archive, shot on ARRI Alexa 65 with Cooke S7/i 85mm T2.0, 8K RAW, ACEScg color, subtle film grain, photorealistic, hyper-detailed, naïve three-quarter editorial portrait of Surge-Overload from Soulstream — a normal tech-obsessed 17-year-old before becoming the Goddess of Technology::1.3, cyberpunk goth girl inspired by Keke Palmer and Kiersey Clemons, warm skin tone with a little too much eyeliner she thinks looks cool — dark smudgy liner and a swipe of glittery cyan on her lids, a couple of ear piercings, multicolor-streaked hair with sections of electric blue and hot pink pulled into messy space buns with loose strands framing her face, wearing a cropped plaid flannel shirt over a band T-shirt, ripped black jeans, beat-up high-top sneakers, layered thrift-store chain necklaces, fingerless knit gloves, she has a cherry lollipop in her mouth with the stick casually hanging from the corner of her lips, sitting cross-legged on a bench scrolling on a cracked-screen phone, her laptop open beside her covered in stickers::1.5, no holographic screens, no glowing fingertips, no powers visible — just a regular nerdy alt-girl who lives on the internet, bright natural daylight in a San Francisco park or outdoor café with warm sunlight, colorful surroundings visible, her face well-lit with generous natural fill, she looks like any

other teenager — brilliant but you'd never guess she's a literal tech goddess, Eternals-style cinematic warmth and naturalism, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 300 --exp 10 --q 2 --no underexposed, lost detail, muddy shadows

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_0337,CR2, realistic, detailed, lifelike materials, cinematic production still, shot on Sony Venice 2 with 35mm lens f/2.0, 8K RAW, photorealistic, hyper-detailed, full-body portrait of Surge-Overload from Soulstream::1.3, 17-year-old cyberpunk goth girl inspired by Keke Palmer, standing casually with one hand in her pocket and the other extended manipulating a massive array of holographic screens and data streams that orbit around her like a technological solar system emitting bright cyan and orange light::1.5, wearing high-waisted plaid pants with leather straps and chain details, a cropped Gothic Lolita-inspired top with puffed sleeves and LED piping in neon cyan, heavy combat boots with buckles and glowing cyan sole lights, leather suspender straps, multiple layered chain belts, her multicolor hair flows with static electricity each strand tipped with luminescence, a half-eaten lollipop in her mouth, her expression utterly unbothered and supremely confident, surrounding holographic displays show hacked security feeds, code waterfalls in bright cyan and orange creating abundant light, digital particles streaming from her hands::2, full-body head to toe, neon city at blue hour with visible purple-cyan sky and colorful neon reflections everywhere, rain reflecting bright neon lights on wet ground creating a vivid mirror, cyberpunk goddess key art with rich visible neon detail, no text --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, muddy, lost detail

P3 — Action / Combat

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_0468,CR2, realistic, detailed, lifelike materials, action still, shot on ARRI Alexa 65 with 24mm wide lens f/2.8, 8K, photorealistic, hyper-detailed, dynamic action shot of Surge-Overload from Soulstream::1.3, 17-year-old cyberpunk goth girl causing a technological meltdown, her body surrounded by a brilliant sphere of holographic data emitting bright light, her hands conducting an orchestra of destruction as multiple computer screens crack spark and explode simultaneously creating showers of bright sparks and light::1.5, her eyes glow solid neon cyan::2, electrical arcs jumping from her fingers to every electronic device in range creating bright white-blue light trails, her hair standing on end with static, LED clothing overcharged and blazing brightly, the environment is a corporate OZONE facility brightly lit by the explosions, monitors exploding into brilliant showers of sparks, the chaos itself provides dramatic illumination with cyan orange and white light flooding the composition, she still has that lollipop in her mouth looking completely unbothered, technological apocalypse scene with vivid visible detail, cyberpunk action --ar 2:3 --v 7 --style raw --s 250 --exp 10 --no underexposed, pitch black, muddy

P4 — Moody Cinematic Close-Up

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_0592,CR2, realistic, detailed, lifelike materials, intimate portrait, shot on ARRI Alexa 65 with Cooke S7/i 100mm T2.0, 8K RAW, photorealistic, hyper-detailed, extreme close-up of Surge-Overload from Soulstream::1.3, 17-year-old girl, warm skin with bold cyberpunk makeup in ultra-detail — every metallic fleck in her cyan eyeshadow visible, thick winged eyeliner sharp as code, multiple ear piercings with tiny circuit-board studs, multicolor hair strands falling across her face catching colorful neon light, her eyes reflect scrolling holographic code like data flowing through her consciousness::2, the cherry lollipop

stick at the corner of her smirking lips, her expression says she has already hacked everything and is bored, bright neon cyan and vibrant orange lighting from holographic screens reflecting vividly off her skin creating a colorful cyberpunk illumination with full facial visibility, digital particles floating in the shallow depth of field like tiny glowing fireflies, bright neon bokeh behind her, tech goddess close-up, cyberpunk intimacy with vivid readable detail --ar 2:3 --v 7 --style raw --s 200 --exp 10 --q 2 --no underexposed, lost detail, muddy

ANIME GAME-STYLE (Niji 7)

A1 — Character Splash Art

Anime key visual of Surge-Overload from Soulstream::1.5, 17-year-old cyberpunk goth girl with multicolor-streaked hair in messy space buns, dramatic dark eye makeup with cyan accents, warm skin, nonchalant smirk with a cherry lollipop, wearing cropped plaid punk top with leather straps and LED cyan piping, high-waisted pants with chain details, heavy combat boots, fingerless mesh gloves, surrounded by a massive array of floating holographic screens and data streams in vivid neon cyan and orange creating bright illumination::1.5, casually manipulating code with one hand, digital particles streaming from fingertips::2, neon city skyline at twilight with visible colorful sky, cyberpunk palette of vivid cyan orange and deep blue, tech goddess character splash art, detailed anime style with bright glowing holographic effects, mobile game key art --ar 2:3 --niji 7 --s 400 --no muddy, dull

A2 — Combat / Action Pose

Anime action illustration of Surge-Overload from Soulstream::1.3, 17-year-old cyberpunk goth girl with glowing solid bright cyan eyes::2, causing a massive technological meltdown, hands conducting electrical arcs, computers exploding with bright sparks::1.5, screens cracking, she stands in the center with lollipop still in her mouth looking completely unbothered, dynamic energy lines in vivid cyan and orange, digital debris and holographic shards flying outward with bright illumination, her multicolor hair charged with static, high-energy tech destruction scene with vivid readable neon colors, cyberpunk anime combat keyframe --ar 2:3 --niji 7 --s 400

A3 — Menu / Idle Screen

Anime character portrait of Surge-Overload for mobile game select screen, 17-year-old cyberpunk goth girl with multicolor hair, dramatic makeup, lollipop, casual confident pose leaning back, small holographic screen floating near her hand showing bright cyan code, LED clothing glowing softly, clean gradient background from dark teal to deep purple with bright cyan digital particles and soft neon glow --ar 2:3 --niji 7 --s 250

A4 — Expression / Emote Sheet

Anime expression sheet of Surge-Overload from Soulstream, 17-year-old cyberpunk goth girl with multicolor hair, four expressions on clean gradient background: top-left nonchalant bored expression with lollipop and one eyebrow raised utterly unimpressed with soft cyan lighting, top-right manic hacker grin with eyes glowing bright cyan and holographic screens multiplying around her creating vivid illumination, bottom-left genuinely surprised wide eyes with lollipop falling from open mouth with warm lighting, bottom-right cold fury with narrowed vivid glowing eyes and bright electrical arcs crackling around her face, consistent cyberpunk design, game asset quality --ar 1:1 --niji 7 --s 250

CHARACTER 7: MR. VIOLET

FACTION	FAMILIAR — Game Mascot / Messenger of Mother Gaia
ACTOR	Original Creature Design
INSPIRATION	
AGE	N/A (ancient creature)
COLOR PALETTE	Signature purple (#8B00FF), soft violet (#EE82EE), warm amber fur (#D2691E), ethereal white (#FFFFFF), Gaia green (#32CD32)

BRIEF: Absolutely adorable squirrel — game mascot. Shapeshifts into any creature but prefers squirrel form. Signature: every form has a glowing purple tail. Messenger of Mother Gaia. Promotes love over war. Gentle but can take down Gods if forced. Leads players to artifacts.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_1101,CR2, realistic, detailed, natural fur texture visible at individual hair level, lifelike materials, shot on Canon EOS R5 with RF 100mm f/2,8L Macro, 8K RAW, National Geographic wildlife photography quality, photorealistic, hyper-detailed, naïve innocent close-up portrait of Mr Violet from Soulstream — just a regular adorable squirrel no powers visible yet::1.3, an impossibly cute squirrel sitting upright on a park bench armrest in bright golden sunlight, looking like any ordinary San Francisco park squirrel except somehow more charming, warm chestnut-brown fur with golden undertones glowing in the generous light, round sparkling dark eyes that seem a little too intelligent for a normal squirrel — almost like he understands what you're saying::2, tiny pink nose twitching, small paws holding an acorn he's about to eat, his tail is just a normal bushy squirrel tail — fluffy chestnut brown with no purple glow yet::1.5, he sits among fallen autumn leaves in warm dappled sunlight, a busy park path visible in the soft background with joggers and dog walkers, ancient oak trees with warm golden sunlight streaming through the canopy creating beautiful god rays, he looks like somebody's favorite park squirrel that they visit every morning — adorable and trusting but just a regular little animal, nature documentary quality, warm cheerful atmosphere, Eternals-style cinematic warmth, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 300 --exp 10 --q 2 --no underexposed, dark, muddy

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_1245,CR2, realistic, detailed, lifelike materials, cinematic production still, shot on Sony Venice 2 with 50mm lens f/2,0, 8K RAW, photorealistic, hyper-detailed, full-body portrait of Mr Violet from Soulstream in his squirrel form::1.3, sitting regally on the palm of an unseen character's open hand bathed in warm light, his small body perfectly detailed with warm chestnut fur glowing in golden sunlight, tiny clawed feet gripping gently, his large dark eyes looking directly at the camera with ancient wisdom::2, his

glowing purple tail fully unfurled behind him twice the length of his body, each hair shimmering with brilliant violet bioluminescence that shifts between deep purple and soft lavender::2, the tail creates beautiful light patterns on the hand below like stained glass reflections, a miniature green energy aurora dances above his head — Mother Gaia's blessing visible as swirling emerald and gold light forming tiny rune patterns, bright background of enchanted forest with golden sunlight streaming through, an ancient artifact partially buried in forest earth glowing with warm golden light, Mr Violet clearly leading someone toward it, enchanted forest guide, magical companion, well-lit and luminous, no text --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, dark, muddy

P3 — Action / Combat

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_1378,CR2, realistic, detailed, lifelike materials, VFX transformation still, shot on ARRI Alexa 65 with 35mm lens f/2,8, 8K, photorealistic, hyper-detailed, dramatic mid-transformation shot of Mr Violet from Soulstream::1.3, the adorable squirrel shapeshifting into a massive luminous creature — his small squirrel form dissolving into brilliant swirling violet energy at the center of the frame::1.5 while a colossal bear-like silhouette forms around him made of radiant purple light and green earth energy, the transformation surrounded by a hurricane of bright violet light particles leaves flowers and green Gaia energy spiraling outward, his glowing purple tail enormous and blazing with power — the brightest element providing dramatic illumination across the entire scene::2, the contrast between tiny adorable squirrel and cosmic-level power erupting is the core visual tension, ancient forest clearing at twilight with bright moonlight mixing with brilliant purple and green supernatural light, the ground cracking with glowing green growth energy, the transformation energy itself illuminating every detail vividly, power reveal transformation, cute-to-godlike moment, bright fantasy VFX editorial --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, pitch black, muddy

P4 — Moody Cinematic Close-Up

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_1502,CR2, realistic, detailed, lifelike materials, intimate creature portrait, shot on Canon EOS R5 with RF 100mm f/2,8L Macro f/2,8, 8K RAW, extreme shallow depth of field, photorealistic, hyper-detailed, extreme close-up of Mr Violet's face from Soulstream::1.3, filling the entire frame with his adorable squirrel features in ultra macro detail, every individual whisker visible catching warm light, warm chestnut fur with golden tips glowing in sunlight, enormous round dark eyes that hold swirling galaxies of purple and green deep within them::2 — if you look closely you can see the reflection of the entire planet Earth in his pupils, his tiny nose is pink and wet, his small mouth curved into what can only be described as a gentle smile, the purple glow from his tail visible as a warm violet rim light along his cheek, an impossibly tiny golden rune floats between his ears like a crown, warm generous golden sunlight on his face creating a bright cheerful portrait, beautiful green and violet bokeh of sun-lit enchanted forest behind him, a single butterfly resting on his ear, the most adorable game mascot ever created, intimate creature portrait with abundant warm light --ar 2:3 --v 7 --style raw --s 250 --exp 10 --q 2 --no underexposed, dark, muddy

ANIME GAME-STYLE (Niji 7)

A1 — Character Splash Art

Anime key visual of Mr Violet from Soulstream::1.5, impossibly adorable chestnut-brown squirrel sitting upright on a glowing ancient stone in warm sunlight, huge sparkling dark eyes full of wisdom and warmth::2, tiny pink nose, small paws held together, his magnificent bushy tail glows with vibrant violet-purple bioluminescence like fiber optic amethyst::2, casting beautiful purple light on everything around him, a faint green Mother Gaia aura encircling him with tiny golden runes, enchanted ancient forest background bathed in warm golden sunlight with massive trees and glowing mushrooms and fireflies and floating cherry blossom petals, luminous warm atmosphere, game mascot character splash art, kawaii meets mystical, detailed anime style with brilliant glow effects, adorable creature design --ar 2:3 --niji 7 --s 400 --no muddy, dark

A2 — Combat / Action Pose

Anime action illustration of Mr Violet from Soulstream mid-transformation::1.3, tiny adorable squirrel at the center dissolving into a hurricane of brilliant violet energy::1.5 as a colossal spirit beast forms around him — a massive luminous creature made of radiant purple light and green Gaia energy, his glowing purple tail enormous and blazing with power::2, leaves and flowers spiraling outward in the bright energy vortex, visual contrast of cute tiny squirrel to world-ending power level, dramatic purple and green energy effects providing vivid illumination across the entire scene, forest setting illuminated brightly by transformation light, epic power reveal, cute mascot true power moment --ar 2:3 --niji 7 --s 400

A3 — Menu / Idle Screen

CHARACTER 8: GUARDIAN

FACTION

OZONE SYNDICATE — World's Deadliest Assassin / Jreamer

ACTOR

Chris Evans meets Karl Urban energy

INSPIRATION

AGE	Late 20s
COLOR PALETTE	Gun metal grey (#2C3539), Matrix green (#00FF41), dark chrome (#36454F), tactical black (#1C1C1C), cyan OZONE accent (#00D4FF)

BRIEF: World's deadliest assassin in his late 20s, wearing futuristic OZONE bodysuit with LED highlights. Metallic, textured, bulletproof and malleable. Brown hair, green eyes, 5 o'clock shadow. World-class muscular athletic build. Bleeding-edge future weaponry. Recently acquired a conscience after killing innocent Isja.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_2201,CR2, realistic, detailed, natural skin texture with visible pores, lifelike materials, cinematic portrait in the visual style of Marvel Eternals, editorial_stills_archive, shot on ARRI Alexa 65 with Cooke S7/i 85mm T2.0, 8K RAW, ACEScg color, subtle film grain, photorealistic, hyper-detailed, naïve innocent three-quarter portrait of Guardian from Soulstream — before he became the world's deadliest assassin when he was just a regular elite soldier::1.3, handsome man in his late 20s with a clean-cut athletic build, short brown hair neatly kept, warm green eyes that still have hope in them::2, strong jaw with a perfect 5 o'clock shadow, expression is open and confident — a good man who believes in what he's doing, wearing a simple fitted dark henley shirt with the sleeves pushed up revealing muscular forearms, military dog tags visible at his chest, dark tactical pants, clean boots, no OZONE suit, no weapons drawn — just a soldier off-duty::1.2, he's leaning casually against a railing at a San Francisco overlook point with the Golden Gate Bridge and bay visible in the warm sunset behind him, generous warm golden hour sunlight filling his face with readable detail, he looks like any handsome off-duty military guy enjoying a rare day of peace — no hint yet of what OZONE will turn him into, Eternals-style cinematic warmth and naturalism, military thriller character portrait, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 300 --exp 10 --q 2 --no underexposed, pitch black, lost detail, muddy

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_2347,CR2, realistic, detailed, lifelike materials, cinematic production still, shot on RED V-Raptor 8K with 35mm lens f/2.0, 8K RAW, photorealistic, hyper-detailed, full-body portrait of Guardian from Soulstream::1.3, man in his late 20s standing in a tactically alert stance with futuristic sniper rifle held across his chest, his athletic muscular body showcased by the skintight gun-metal grey OZONE bodysuit with vivid Matrix green LED accents pulsing along every seam::1.2, the suit's micro-armor plating visible — hexagonal scales of brushed titanium that shift and flex as he breathes, custom-fitted to highlight his powerful physique, his piercing green eyes scan the environment with predatory awareness::2, brown hair slightly windswept, heavy tactical boots with green-lit tread, the sniper rifle is a masterwork of future engineering with holographic scope suppressor and green energy cells, standing on a building rooftop at blue hour twilight with dramatic visible sky — deep purple and blue with city lights of San Francisco spread behind him in vivid detail, Matrix green reflections on wet surfaces, bright moonlight from above providing generous fill, full-body visible head to toe, the green LED accents self-illuminate the

composition, world's deadliest assassin key art, military sci-fi editorial with visible detail, no text --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, pitch black, muddy

P3 — Action / Combat

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_2478,CR2, realistic, detailed, lifelike materials, high-speed action still, shot on ARRI Alexa 65 with 24mm wide lens f/2.8, 8K, photorealistic, hyper-detailed, dynamic action shot of Guardian from Soulstream::1.3, man in his late 20s mid-leap between buildings with catlike agility, his body horizontal in the air with his futuristic handgun aimed at a target below, his free hand reaching for the next ledge, the OZONE bodysuit's LED accents blazing vivid bright green from the exertion providing self-illumination::1.5, the micro-armor plates shifting visibly, his piercing green eyes locked on target with zero hesitation::2, the city at blue hour stretches below with visible colorful city lights and twilight sky, motion blur on the background but sharp focus on his body and weapon, rain droplets frozen in the air around him catching green LED light like tiny emerald jewels, bright tracer fire from distant activity illuminating the cityscape, superhuman parkour assassination sequence with vivid readable detail, military sci-fi action editorial --ar 2:3 --v 7 --style raw --s 250 --exp 10 --no underexposed, pitch black, muddy

P4 — Moody Cinematic Close-Up

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_2601,CR2, realistic, detailed, lifelike materials, intimate portrait, shot on Panavision Millennium DXL2 with Cooke S7/i 100mm T2.0, 8K RAW, photorealistic, hyper-detailed, extreme close-up of Guardian from Soulstream::1.3, ruggedly handsome face filling the frame, man in his late 20s, strong jaw with 5 o'clock stubble in ultra-detail, piercing green eyes that carry the weight of every life he has taken — a crack in his armored composure showing guilt and newfound conscience::2, short brown hair, a small scar near his left eyebrow, the collar of his gun-metal OZONE suit visible with green LED accent at his throat pulsing, his expression complex — the world's most lethal man experiencing empathy for the first time, a single bead of sweat on his temple, balanced dramatic lighting — bright key light from the right clearly illuminating his face with readable detail, faint Matrix green reflection from his suit's LEDs adding vivid color to his eyes, soft fill on the shadow side keeping both halves of his face visible, green and cool blue bokeh behind him, tortured soldier character study, Hollywood cinematic close-up --ar 2:3 --v 7 --style raw --s 200 --exp 10 --q 2 --no underexposed, lost detail in shadows

A2 — Combat / Action Pose

Anime action illustration of Guardian from Soulstream::1.3, muscular man in his late 20s in OZONE bodysuit mid-leap between buildings with catlike agility, futuristic handgun aimed with one hand, other hand reaching for ledge, suit LEDs blazing bright vivid green providing self-illumination::1.5, micro-armor shifting, rain frozen around him catching green light, city visible below at twilight with colorful lights, green tracer rounds streaking brightly from his weapon::2, dynamic aerial action scene with speed lines, military precision combat, high-tech anime action keyframe --ar 2:3 --niji 7 --s 400

A3 — Menu / Idle Screen

Anime character portrait of Guardian for mobile game select screen, handsome man in his late 20s with short brown hair, piercing green eyes::2, stubble, skintight gun-metal suit with vivid green LED accents, futuristic sidearm holstered on thigh, arms crossed, steely calculating expression with a hint of inner conflict, clean gradient background from deep teal to charcoal with bright Matrix green data particles, military sci-fi character portrait --ar 2:3 --niji 7 --s 250

A4 — Expression / Emote Sheet

Anime expression sheet of Guardian from Soulstream, rugged handsome man in his late 20s with brown hair green eyes and stubble, four expressions on clean gradient background: top-left cold lethal precision with narrowed bright green eyes and zero emotion the assassin with dramatic lighting, top-right conflicted guilt with clenched jaw and pained eyes remembering Isja with warm light on his face, bottom-left tactical smirk with one corner of mouth raised confident moment with vivid green eye detail, bottom-right explosive combat fury with suit LEDs blazing bright and teeth bared with green energy around him, consistent OZONE suit design, game asset quality --ar 1:1 --niji 7 --s 250

CHARACTER 9: YANORO (Astral / Insidious Powers)

FACTION	TBD — Astral Realm / Supernatural
ACTOR	TBD (Awaiting Geo's direction)
INSPIRATION	
AGE	29
COLOR PALETTE	Insidious red (#8B0000), astral fog grey (#696969), spectral lantern yellow (#FFD700), void black (#000000), ethereal blue-grey (#708090)

BRIEF: 29-year-old with powers that look like the movie Insidious — astral projection, dark ethereal realm, demonic red-faced entities, shadowy dimension doorways. The Further aesthetic: foggy liminal spaces, lantern light, spectral figures, red and black demon energy. Full character details pending from Geo.

PHOTOREALISTIC EDITORIAL (MJ V7 --style raw)

P1 — Hero Editorial Portrait

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_3301,CR2, realistic, detailed, natural skin texture, lifelike materials, cinematic portrait in the visual style of Marvel Eternals, shot on ARRI Alexa 65 with 85mm Signature Prime f/1.8, 8K RAW, ACEScg color, subtle film grain, photorealistic, hyper-detailed, naïve innocent three-quarter portrait of Yanoro from Soulstream — a 29-year-old man with latent Insidious-style astral powers before the astral awakening when he's just a normal person::1.3, [CHARACTER FEATURES TBD — adapt when Geo confirms], standing in a normal everyday setting, no trace of the astral plane or supernatural energy — everything looks completely ordinary, his eyes are natural and human with no red glow — just a regular person going about his day, he might be at a coffee shop a park or standing on a street corner with warm sunlight on his face, the only hint of something unusual is a subtle distant quality in his gaze — as if he sometimes stares at things other people can't see, a slight absent-mindedness that could be mistaken for daydreaming::1.5, warm generous natural sunlight filling the scene with readable detail, bright everyday urban or suburban background, warm tones, he looks like any other person you'd pass on the street — ordinary and unassuming, no one would ever guess he has the ability to walk between dimensions, Eternals-style cinematic warmth and naturalism, sharp focus on eyes --ar 2:3 --v 7 --style raw --s 300 --exp 10 --q 2 --no underexposed, pitch black, lost detail, muddy

P2 — Full Body Power Shot

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_3442,CR2, realistic, detailed, lifelike materials, cinematic production still, shot on Sony Venice 2 with 35mm lens f/2.0, 8K RAW, photorealistic, hyper-detailed, full-body portrait showing Yanoro's astral projection powers from Soulstream::1.3, 29-year-old man [TBD features] standing with arms slightly outstretched as his astral form rises out of his physical body::1.5, the spirit form connected by a shimmering bright silver cord at the solar plexus, the astral form semi-transparent and luminous emitting its own ethereal light surrounded by blue-grey mist and bright spectral particles, its eyes blazing with vivid deep red supernatural light::2, the astral projection radiates visible ghostly illumination, the physical body below in a trance with the astral form floating above with terrifying awareness, the space around him warping and rippling with spectral energy that creates visible light distortions, environment — an atmospheric room lit by bright warm practicals and golden lantern light on the physical side, the astral realm overlaying with luminous grey fog and spectral cobwebs, ghost figures visible at the edges with faint red-glow outlines, full-body visible for both physical and astral forms, the dual light sources from both realms ensure full visibility, Insidious-style astral horror key art with readable detail, no text --ar 2:3 --v 7 --style raw --s 300 --exp 10 --no underexposed, pitch black, muddy

P3 — Action / Combat

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_3576,CR2, realistic, detailed, lifelike materials, horror action still, shot on ARRI Alexa 65 with 24mm wide lens f/2.8, 8K, photorealistic, hyper-detailed, dynamic action shot showing Yanoro in astral combat from Soulstream::1.3, 29-year-old man in his astral form fully manifested in the Further dimension, astral hands extended commanding waves of vivid bright red and dark spiritual energy that slam into demonic entities::1.5, the red energy attacks provide dramatic visible illumination across the entire scene, shadowy figures with bright red-glowing features shattering on contact with Yanoro's power, the Further environment is a liminal space of corridors and floating furniture lit by warm spectral lantern light scattered throughout and the bright red power energy::2, ghostly cobwebs and frozen spectral figures visible in the

lantern-lit environment, Yanoro's red power energy and the scattered lanterns ensure the composition is fully readable, Insidious-style horror action with vivid visible detail, supernatural thriller combat editorial --ar 2:3 --v 7 --style raw --s 250 --exp 10 --no underexposed, pitch black, muddy

P4 — Moody Cinematic Close-Up

Ultra-photorealistic, single photo, so real that no camera can compare, as if seen directly through my own eyes, IMG_3701,CR2, realistic, detailed, lifelike materials, horror intimate portrait, shot on ARRI Alexa 65 with Cooke S7/i 100mm T2.0, 8K RAW, photorealistic, hyper-detailed, extreme close-up showing the moment of Yanoro's astral awakening from Soulstream::1.3, 29-year-old man face filling the frame, his physical eyes snapping open but now split between two realities: the left eye is normal and human in warm skin tones, the right eye has shifted to deep supernatural bright red with the astral realm reflected in its surface::2, spectral mist begins to seep from the corner of the red eye, a faint red entity face barely visible deep within the red eye's reflection — the entities from the Further watching through him, extreme macro detail on skin pores, the supernatural transformation spreading asymmetrically, balanced visible lighting — warm amber light on the normal side fully illuminating the human features, rich red-amber supernatural glow from the awakening side creating vivid crimson warmth, both sides of the face clearly readable with full detail, bright spectral particle bokeh behind, terrifying intimate moment of power awakening, Insidious-style horror with visible beauty in the terror, Hollywood cinematic close-up --ar 2:3 --v 7 --style raw --s 250 --exp 10 --q 2 --no underexposed, lost detail, pitch black

ANIME GAME-STYLE (Niji 7)

A1 — Character Splash Art

Anime key visual showing Yanoro with Insidious-style astral projection powers from Soulstream::1.5, a 29-year-old man [TBD design] standing at the boundary between the physical world and the astral plane The Further, his astral form rising from his physical body connected by a bright silver cord, the spirit form semi-transparent with vivid glowing red eyes and spectral energy tendrils::2, The Further dimension bleeding into reality as luminous grey fog and ghostly architecture overlay the scene, split-reality composition — warm visible colors on the physical side, cool grey-blue with vivid bright red accents on the astral side, spectral ghost figures visible in the background, demonic red silhouette in the astral distance, supernatural horror splash art with rich detail visible on both sides, atmospheric anime style with luminous fog effects and bright red supernatural glow --ar 2:3 --niji 7 --s 400 --no muddy, dark unreadable

A2 — Combat / Action Pose

Anime action illustration of Yanoro in astral combat from Soulstream::1.3, 29-year-old man fully manifested in the Further, commanding waves of vivid bright red and dark spiritual energy against shadowy demonic entities::1.5, the red energy illuminating the entire scene, liminal space of corridors and floating architecture lit by spectral lanterns and the bright red power::2, ghost figures at the edges visible in the warm lantern light, dynamic supernatural combat with vivid red energy effects providing rich visible illumination, horror action anime keyframe --ar 2:3 --niji 7 --s 400

A3 — Menu / Idle Screen

Anime character portrait for mobile game select screen showing Yanoro from Soulstream, 29-year-old man [TBD design] with one eye normal and one eye glowing vivid red with the astral realm reflected within::2, spectral mist wisping around his shoulders, clean gradient background from charcoal to deep blue-grey with

floating bright spectral particles and vivid red supernatural glow, The Further dimension visible as a faint luminous shadow behind him --ar 2:3 --niji 7 --s 250

A4 — Expression / Emote Sheet

Anime expression sheet of Yanoro from Soulstream, 29-year-old man [TBD design], four expressions on clean gradient background: top-left normal human state with kind warm expression and both eyes natural with soft warm lighting, top-right astral awakening with vivid bright red eyes blazing and luminous spectral fog emanating dramatically lit by red glow, bottom-left deep trance with eyes rolled back and astral form separating as a bright ghostly outline, bottom-right fully powered with both eyes blazing vivid red and bright spectral energy crackling around the head, consistent design, game asset quality --ar 1:1 --niji 7 --s 250
